**Making the Band Camp!  
August 14-18, 10am-2:30pm  
Performance August 18!**

Take your musicianship to the next level with comprehensive curriculum including master classes, ensembles and jams!

An opportunity for young musicians to spend a week of Summer jamming and rehearsing as a band. All while in preparation for a performance on the last day of camp, Friday August 18<sup>th</sup> at LifeStage Theatre.

The purpose of this band camp is to introduce students to ALL levels and ages to the thrill of creating, arranging and performing music with other peers. All participants will get the opportunity to play not only with other students but also with all instructors involved in this camp on a daily basis.

*Making the Band Camp will lead to a class offered at Lifesong during the school year and 2017-2018 season; Making the Band. We believe that both the summer camp and the following Making the Band class will inspire our student musicians and take their playing to the next level.*

*We are excited about the opportunities that will be provided in this new class at Lifesong next season for composing, arranging, recording and most of all; performing as a part of a band! More details about this class coming soon.*

The camp is open to students of all 8 & up, all levels and instruments with at least 1 semester of experience in private music instruction. Tuition fee of \$250 for 5 days of professionally coached rehearsals and a live performance.

A 50% non-refundable deposit is due upon registration and balances will be auto-drafted on the first day of camp. Register at the front desk or through our new Lifesong app (available by download on our website).
